**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow more competition in the ISP business. New ISP businesses provide innovative broadband service at competitive rates. I want to be able to choose the ISP I want! I currently have an alternative ISP that gives great service, both internet and telephone. This ISP is growing and healthy. I don't want to see it pushed out of business by unneeded regulations. The industry needs more competition to keep rates affordable.
